HOW IT WORKS

1 READ 200 BOOKS

Your class will work together to read 200 books during the selected quarter of the school year. You may determine what qualifies as a "book" based on grade level.

2 TRACK YOUR READING

Each classroom will receive a Reading Tracker Poster to track completed books.

- Students may color in, write on, or decorate the tracker as books are finished.

3 CONFIRM COMPLETION

Once your class has read 200 books, visit our website and complete the short Google Form to confirm completion.

4 CELEBRATE WITH US

After the form is submitted, our team will contact the school to schedule a celebration.

- The class will enjoy a pizza party and other fun surprises
- Participating teachers will be entered into a $500 Classroom Revamp prize drawing

THANK YOU FOR ENCOURAGING A LOVE OF READING AND FOR BEING PART OF THE READING RALLY!
